**Please read over the scheduling parameters very carefully before starting:**

- **Account Balance:** if you have a balance on your account you will need to make a payment in order to schedule.
- **Total Lessons Per Day:** if you have purchased a package that includes the simulator, driving lessons, and road test, you must schedule your simulator lesson first, and then your driving lessons and can only have one per day. **Road Test appointments must be scheduled over the phone or in person with office staff AFTER all driving appointments have been COMPLETED.**
- **Scheduling Start Date:** you will be able to begin scheduling as soon as your account is activated. Your first appointment needs to be a simulator appointment. Schedule that appointment first. Schedule your street driving appointments after the simulator appointment. You cannot schedule any appointments the week the student is in the classroom session.
- **Course Deadline:** students are required to complete their course 20 weeks (140 days) from your first classroom session date. Once you have reached this deadline you will not be able to see any drive times and should contact our office to discuss further instruction.

Click the “schedule” button of the bottom of the page. Schedule 4 (1 hour) driving appointments. (If you notice your account has 30 minutes remaining to schedule, that is for the DRIVING TEST appointment, which you can schedule once the student has completed all driving appointments by calling the office.)

Driving appointments fill quickly. Please schedule ALL of your student appointments as soon as possible. You have many more options available for appointments the sooner you schedule ALL of the student appointments.

If you do not like the schedule created or want to cancel or reschedule an appointment, click on either “Schedule My Simulator” (for Simulator) or “Schedule My Drive” (for Driving), top left side of the page.
